Please return the yellow copy of the invoice with your payment, by  
the due date shown above, in the enclosed envelope to: Department  
of Ecology, Wastewater Discharge Permit Fees, P.O. Box 5128, Lacey,  
WA 98503-0210. Please make checks payable to the Department of  
Ecology; also, please include your permit number on your check.  
Questions regarding your invoice can be answered by the Permit Fee  
Program at (206) 438-7039.

Applications requesting an industrial small business fee reduction for  
for Fiscal Year 1992 may be obtained by calling (206) 438-7039. All  
applications must be completed and returned by September 30, 1991.

Any person feeling aggrieved by a fee determination made under  
Ch. 173-224 WAC may file a written appeal to the Department no later  
than each fiscal year's first billing due date for payment of fees.  
Such appeal shall state the reasons the aggrieved person believes the  
department's determination is contrary to the requirements of  
RCW 90.48.465 and the specific actions he/she is requesting that are  
consistent with those requirements.

Permits are subject to termination for nonpayment of fees. Persons  
continuing to operate without a required permit are subject to civil  
penalties. Persons wilfully violating RCW 90.48 are subject to  
criminal prosecution.
